

Occupational Health and Safety Policy

The Senior Management team of GL Telecoms Ltd is committed to the continual improvement of the Occupational Health & Safety (OH&S) Management System, according to legal and other requirements, by providing healthy working conditions and consultation and participation of workers and their representatives.

The framework for setting OH&S objectives is defined in the OH&S Manual.

All employees and contracted workers of GL Telecoms Ltd are acting to prevent injuries and health impairment through:

- Following the principles and meeting requirements of ISO 45001:2018
- Continual training and education in order to prevent injuries and impairment of health and improve the OH&SMS effectiveness
- Continual education for safe work on all workplaces in GL Telecoms Ltd
- Exploration of new materials and equipment in order to decrease workplace risk level
- Proactive management of changes in OH&S Management System
- Enabling feeling of safety of employees, subcontractors, and visitors, considering the nature of work and real hazards that exist at every workplace

The global pandemic of COVID-19 Coronavirus has impacted the way in which we operate, and all mitigation measures have been applied and reviewed. By engaging the requirements of ISO 45001:2018, we are confident in our abilities to meet the government guidelines and provide a safe and healthy working environment for all our employees and customers.

Our Managing Director is responsible for communicating the OH&S Policy to all persons working for and on behalf of the organisation and making it available to all interested parties.
